Re: Not Eligible; No Historic Properties Affected

Dear Mr. Kiers:

Thank you for contacting the Department of Archaeology and Historic Preservation (DAHP) and providing a copy of the cultural resources survey report for the above referenced project. First, we concur that Sites 45PI1593, 45PI1594, and 45PI1596 are not eligible for inclusion in the National Register of Historic Places (NRHP). We also concur that properties located at 2417 Freeman Road E (Property ID: 729886) and 4605 Freeman Road E (Property ID: 729887) are not eligible for inclusion in the NRHP. We also concur with the recommendation for archaeological monitoring, to be conducted by personnel that meets the Secretary of Interior Standards, for areas that could not be investigated at this time. Finally, we concur with recommendations made in the report and your finding of No Historic Properties Affected. As a result of our concurrence, further contact with DAHP on this matter is not necessary.

However, if information becomes available and/or the scope of work changes, please resume consultation with DAHP and all consulting parties. In the event that archaeological or historic materials are discovered during project activities, work in the immediate vicinity must stop, the area secured, and contact made with concerned tribes and DAHP for further consultation.

We appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36 CFR 800.4(a)(4). These comments are based on the information available at the time of this review and on behalf of the State Historic Preservation Officer (SHPO) in conformance with Section 106 of the National Historic Preservation Act and its implementing regulations 36 CFR 800.

Thank you for the opportunity to review and comment. If you have any questions, please feel free to contact me.

Sincerely,

Dennis Wardlaw
Transportation Archaeologist
