Hi Alan,

Ecology received Aerotech Environmental Phase I ESA and Phase II ESA reports at Ecology HQ/SWRO in Lacey on 7/2/24. Please advise on the VCP application.

Thank you,  
Tim

### Reports

- 1) For the Phase I ESA, please submit the report to me electronically only. I recognize that Phase I ESAs tend to be huge reports, and you **do not** need to send me a hard copy.
- 2) For the Phase II ESA and any other cleanup reports, please submit one electronic copy and one hard copy of the results.
  - a. I recognize that the one hard copy requirement is for Ecology's Southwest Region office only.
  - b. My understanding is that all other Ecology regions and HQ are now electronic report submittals only.

### Standard VCP

Please let me know if you have any questions about the standard Voluntary Cleanup Program (VCP). I would be happy to answer any questions or discuss what you could expect from the VCP.

There is currently no wait list in SWRO for standard VCP and I could assign the project a VCP site manager.

I have included some general VCP application information below:

To apply to [standard VCP](#), please see the links below. Entry is free, Ecology's technical assistance time is billed monthly.

Fill these out the forms and can email them to me at, [vcp-swro@ECY.WA.GOV](mailto:vcp-swro@ECY.WA.GOV).

VCP [application](#)

VCP [agreement](#)

[Eligibility form](#)/agency determination checklist

TEE [form](#)

VCP request for opinion [form](#)

Send one hard copy to the Southwest Region office address P.O. Box 47775, Olympia, WA 98504-7775 and one electronic copy of all documents to [vcp-swro@ECY.WA.GOV](mailto:vcp-swro@ECY.WA.GOV).

The Property owner or party responsible for the cleanup (in this case Dr. Peter Chen) is the VCP customer will need to be the applicant, project manager, and sign the VCP agreement. The Property owner/VCP customer will be responsible for paying for Ecology's review time.

Thank you,  
Tim
