Notice of Incomplete Application

RE: Application Number PLMP20240059

Dear Helen Stanton,

A permit application has been received by this office on May 31, 2024. The following required items are outstanding:

- **Preliminary Storm Report** - Preliminary Storm Report – per Chris’ email “Can you include a memo from your civil describing why AHBL did not prepare a revised stormwater site plan? That would be cleanest” Please provide this
- **SEPA** – per Chris’ email “I don’t think this is necessarily categorically exempt. This might require an adoption or an addendum to SEPA. The base project approval required SEPA and you are modifying it.”

The above information must be received by our office to deem this application complete. If the required information is not received within 30 days, your application will be canceled.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
