Application Fees

Application fee: \$500

**this fee can be credited towards subsequent city permit applications for this proposed project if applied for within 6 months*

Purpose and intent:

- Address any questions you may have from the Tier 1: Notes Only issued notes
- Formally introduce you to City review staff (planning, engineering, building, fire, traffic)
- Help explain Puyallup Municipal Code requirements and other regulations specific to your proposal
- Provide you an early opportunity to identify potential major issues
- This meeting is not a substitute or a formal review or an acceptance of project plans.

Pre-application meetings are conducted virtually and are limited to one hour. We strive to make the meeting as informative and efficient as possible. With minimal lead time prior to these meetings, the information provided by City staff is not guaranteed to thoroughly address all issues that may arise concerning a proposal. Applicants are encouraged to bring all necessary representatives to the meeting, particularly those individuals who will work on the project during its design/permitting phase.

You will have 30 days to request a virtual meeting following your notes only pre-app. Virtual meetings are generally scheduled 7-10 days from when they are requested, subject to calendar availability. We schedule pre-application meetings on a first-come-first-serve basis.

*Please note that the Tier 2: Meeting is not an option until you have gone through the Tier 1: Notes Only pre-app.
