Regarding the land use permit for the above referenced, what impacts will there be to traffic on 43<sup>rd</sup> Avenue SW as well as 94<sup>th</sup> Ave E? This should be included in an environmental review.

Will there be an extension/street built out from on 7<sup>th</sup> Street SW from 43<sup>rd</sup> Ave SW to 39<sup>th</sup> Ave SW? If so, we are already in need of a traffic light at 7<sup>th</sup> St SW and 39<sup>th</sup> Ave SW. The traffic on 39<sup>th</sup> backs up past 7<sup>th</sup>, and at certain times of the time, very difficult to turn left without the presence of a traffic light. Sidewalks would be built and and completed on this section of 7<sup>th</sup> Street SW as well. Please include in an environmental review.

Thank you.
