

Notice of Addendum to the Final Environmental Impact Statement (FEIS) for the Puyallup 2044 Comprehensive Plan Periodic Update

Pursuant to WAC 197-11-625, the City of Puyallup is issuing an addendum to its FEIS for the Puyallup 2044 Comprehensive Plan Periodic Update.

Date of Issuance:	July 10, 2025
Date of FEIS Issuance:	March 10, 2025
Agency File Number:	PLSSP20230091
Applicant:	City of Puyallup
Location:	City of Puyallup and its Urban Growth Area
SEPA Lead Agency:	City of Puyallup
Responsible Official:	Katie Baker, AICP, Planning Manager
Lead Agency Contact:	Kendall Wals, Senior Planner, 253-841-5462, KWals@PuyallupWA.gov
FEIS Addendum Description:	The purpose of the FEIS addendum is to provide additional environmental analysis and updated information related to proposed amendments to the Puyallup 2044 Comprehensive Plan since issuance of the FEIS. The proposed amendments include four (4) Future Land Use Map changes that modify the Preferred Alternative of the FEIS. Therefore, the FEIS Addendum documents the proposed changes, includes additional analysis to evaluate the environmental impact of the proposed changes, and adds one new mitigation measure to address those changes while maintaining consistency with the original Final EIS.
Original FEIS Proposal:	The City of Puyallup is required to review and update its Comprehensive Plan every 10 years to meet the requirements of the Washington State Growth Management Act (GMA), Revised Code of Washington (RCW) Chapter 36.70A, and other regional policies. The proposed major update of the Comprehensive Plan, known as Puyallup 2044, will set the vision for the city for the next 20 years. The Periodic Update includes proposed amendments to all thirteen plan elements. The FEIS contains environmental analysis of four plan alternatives, including a Preferred Alternative, and identification of impacts and mitigation measures. In addition to the policy amendments to the Comprehensive Plan, the City will review the implementing development regulations and propose modifications consistent
