NOTICE OF INTENT TO OBTAIN CUSTODY VESSEL "WN1970SW

The Deputy Harbormaster of the Tacoma Fire Department declared the vessel "WN1970SW", an emergency because it meets the criteria for temporary possession described under RCW 79.100.040(3)(a). City of Tacoma intends to take temporary possession of the vessel and intends to remove it from Pt Defiance

Marina, Pierce County.

City of Tacoma Deputy Harbormaster intends to take formal and full custody of the vessel on 1/15/2022. After taking custody, City of Tacoma may use or dispose of it without further notice. The owner is responsible for all related costs. In order to keep the vessel, the owner must take the following actions before the Custody Date:

- Pay the Foss Waterway Seaport and the City of Tacoma back for costs
- Move the vessel to an anchorage area, moorage facility, or storage location that authorizes the vessel

If the owner wants to reclaim the vessel after City of Tacoma has custody, or wants to challenge the City of Tacoma decision to take custody, the owner must file a written appeal with the Pollution Control Hearings Board (PCHB) and serve a copy on City of Tacoma Deputy Harbormaster. Addresses are in the boxes

Pollution Control Hearings Board (send one original and one copy) Physical address: 1111 Israel Road

Mailing address:

Phone:

Tumwater, WA 98501 PO Box 40903 Olympia, WA 98504-0903 360-664-9160

City of Tacoma
Attn: Deputy Harbormaster
901 S Fawcett Ave Tacoma, WA 98402

The appeal must include the following information:

A copy of this notice or a copy of the notification letter to the owner. Your name and address (mailing and legal, if different) and, if applicable, the name and address of your representative.

A daytime phone number.

- A daytine prince framer.

 A brief statement of why you are appealing.

 A statement of what you want the Pollution Control Hearings Board to do. Your signature or that of your representative. This signature certifies that the content of the appeal is true.

See http://www.eluho.wa.gov/Board/PCHB or call the PCHB at the number above with appeal questions.

The owner may submit the appeal immediately, but the PCHB must receive it no later than 2/15/2022 (Appeal Date). The owner waives the right to a hearing if the PCHB does not receive an appeal on or before the Appeal Date. The owner is then liable for any costs incurred by the Foss Waterway Seaport and the City of Tacoma in responding to the vessel. These costs may include all administrative costs incurred by City of Tacoma and/or Pt Defiance Marina, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. If there is a law suit, the successful party may receive reasonable attorneys' fees and costs.

City of Tacoma also may pursue any other remedies available under law. City of Tacoma is taking this action under the authority of Chapter 79.100 RCW. You can find a copy of this law online at http://apps.leg.wa.gov/RCW/default.aspx?cite=79.100, or by contacting City of Tacoma Deputy Harbormaster. For more information regarding this action, contact City of Tacoma's Derelict Vessel Removal Program at (253) 683-9353 or awilsie@cityoftacoma.org.

Tacoma Public Schools Request for Qualifications (RFP 22007C) Design-Build Services for the Bryant Montessori K-12 School Replacement

Instructions to Respondents

Project Information:
The Tacoma School District is requesting qualifications from firms interested in providing Design/Build (D/B) services for the replacement of Bryant Montessori K-8 School (BMS). The alternate Public Works contracting procedure authorized in RCW 39.10.300 through 39.10.330 will be utilized for this project. This project will utilize the Progressive Design/Build delivery method. Firms with previous design/build experience or experience using a similar alternative construction delivery format are encouraged to apply.

During the project, the Design/Builder will receive overall direction from des-

ignated representatives in the Tacoma Public Schools (TPS) Planning & Construction Office and will work collaboratively as a member of a team to achieve project objectives. In addition to staff from the TPS Planning and Construction Office, this team may include representatives from other District departments, the Design/Build Consultant (Parametrix), other district consultants and mem-

bers from the community.

The existing Bryant Montessori K-8 School staff, students and all school functions will be relocated to an alternative swing school site so that the D/B contractor can have complete control of the BMS site during construction. The original school is circa 1960 and has a covered playshed that was built in 2000 and a number of portable classroom buildings. The current total building area of the existing school is 38,787sf. The existing building and site amenities will be demolished to make way for the new facility. The new facility will be designed to house approximately 560 students and is anticipated to be approximately 60,000sf. The design and construction budget for this project is approximately \$31,640,720. This project is funded under a capital bond that was passed by voters in February of 2020.

A pre-submittal informational meeting will be held January 18, 2022 starting at 4:00pm (PST) at the existing Bryant Montessori School, 717 Grant Ave., Tacoma, WA 98405. Please check in at the office. The school is currently occupied and operational and, due to heightened security and pandemic protocol, may not be visited prior to, or after, the scheduled pre-submittal meeting. **Instructions to Applicants:**

Responses to Repulest for Qualifications for Design Build Services (RFP 22007C) will be received by the Tacoma School District No. 10, Purchasing Department until 2:00pm on January 28, 2022. Interested Parties may download the RFQ from the District's Bonfire Bid Management website at: https://tacoma. bonfirehub.com/portal/?tab=openOpportunities. When registering on the Bonfire website, follow instructions and use at least one or any combination of the following classification/commodity codes, as applicable for your firm: 906-10, 906-25, 958-26, 906-38, 925-44, 909-21, 909-22, 909-24, 909-27, 909-31 and/

CITY OF GIG HARBOR ACCEPTING APPLICATIONS TO FILL A VACANCY ON THE CITY COUNCIL

The Gig Harbor City Council is accepting applications for a council vacancy created by the resignation of Councilmember Tracie Markley on December 31, 2021. Completed applications e submitted no late

on Friday, January 14. All applicants must complete an application to be considered for the vacant position. The application can completed on the city's website at

www.cityofgigharbor.net. An eligible applicant must be a registered voter in Gig Harbor at the time of application and must have resided within Gig Harbor city limits for at least one year as of January 18, 2022. The replacement will serve until the position is filled upon certification of the election in November 2023.

The city council meets regularly on the second and fourth Mondays of the month. City council members often have study sessions and other time obligations in addition to the city council meetings. Gig Harbor council members typically spend 10-15 hours weekly fulfilling the duties of office and are compensated \$713 a month; no benefits are included.

To request additional information please contact City Clerk Josh Steck-er at 253-853-7613 or by email at cityclerk@gigharborwa.gov. IPL0055466 Jan 7,11 2022

LEGAL NOTICE

Signal Point Systems, Inc., is processing a new application for the installation of a 148 ft. AGL (540 ft. AMSL) monopole communications tower to be located at 47°05'52.78"N, 122°35'49.54"W. The physical location of the proposed structure is approximately 0.03 NM north of the intersection of N 8th Street and Texas Avenue on Joint Base Lewis McChord, Tacoma, WA 98433 (Pierce County). Comments are sought regarding any environmental concerns about this project, particularly any specific reasons that the tower may have a significant impact on the quality of the human environment pursuant to 47 CFR Section 1.1307. Interested persons may file a Request for Environmental Review with the Federal Communications Commission (FCC) within 30 days of the date on which this notice is published. The FCC strongly en-courages interested parties to file Requests for Environmental Review online at https://www.fcc.gov/wireless/ support/antenna-structure-registra-tion-asr-resources/filing-request-environmental-review. However, paper copy requests can be made at the following address: FCC Requests for Environmental Review, ATTN: Ramon Williams, 445 12th Street SW, Washington, DC 20554. Please use File Number: [A1207410] to refer to this specific application. IPL0055541 Jan 7 2022
