**Re: Project #PLSSP20220009 Non-project, SEPA DNS**

The Nisqually Indian Tribe's THPO has reviewed the determination of nonsignificance (DNS) and supplemental materials that you provided for the above named project and has no specific comments or concerns at this time. Please keep us informed if there are any Inadvertent Discoveries of Archaeological Resources/Human Burials.

Although the Nisqually Indian Tribe has no specific concerns at this time, we respect the traditional cultural knowledge of affected tribes and support their opinions on this matter as well.

Sincerely,

Brad Beach, THPO
