Determination

A. Qualifies as a Planned Action: The application is consistent with the criteria of Ordinance 3173 and thereby qualifies as a Planned Action project.

It shall proceed in accordance with the applicable permit review procedures specified in the Puyallup Municipal Code, except that no SEPA threshold determination, EIS or additional SEPA review shall be required.

Notice shall be made pursuant to the Puyallup Municipal Code and Ordinance 3173 as part of notice of the underlying permits and shall include the results of the Planned Action determination.

The Responsible Official shall notify the applicant of his/her decision and shall mail or otherwise verifiably deliver said Determination to the applicant; the owner of the property as listed on the application; and federally recognized tribal governments and agencies with jurisdiction over the Planned Action Project, pursuant to Chapter 1, Laws of 2012 (Engrossed Substitute Senate Bill (ESSB) 6406).

If notice is not otherwise required for the underlying permit, no special notice is required.

The review process for the underlying permit shall be as provided in the Puyallup Municipal Code.

B. Does not Qualify as Planned Action: The application is not consistent with the criteria of Ordinance 3173, and does not qualify as a Planned Action project for the following reasons:

- _____
- _____
- _____
- _____

Projects that fail to qualify as Planned Actions may incorporate or otherwise use relevant elements of the Planned Action EIS, as well as other relevant SEPA documents, to meet their SEPA requirements. The Responsible Official shall notify the applicant and shall mail or otherwise verifiably deliver said Determination to the applicant; the owner of the property as listed on the application; and federally recognized tribal governments and agencies with jurisdiction over the Planned Action Project, pursuant to Chapter 1, Laws of 2012 (Engrossed Substitute Senate Bill (ESSB) 6406).

The SEPA Responsible Official may limit the scope of SEPA review for the non-qualifying project to those issues and environmental impacts not previously addressed in the Planned Action EIS.

SEPA Process Prescribed: **Qualified project under EIS, no new threshold determination required**
