Written Narrative from project architect

#### Application Fee:

F

Small Project:	<u>\$65.00</u>
(awnings only)	
	<u>\$130.00</u>
(façade changes to existin structure)	g
Large Project:	<u>\$260.00</u>
(new buildings)	
Rev: 7/2020	

Please use this form to apply for design review of projects located within the CBD, CBD-Core, RM-Core zones, or RM-20 zone within the Downtown Planned Action Area zones. Design review is required for new buildings and may be required for exterior alteration, redevelopment or addition to existing buildings. Please reference Puyallup Municipal Code Section 20.26.050 and Downtown Design Guidelines (DDG) Part I – Section I.B.I. for applicability and exemptions. The DDG document is available for download on the Planning Services webpage of the city's website: www.cityofpuyallup.org.

If you have any questions, please contact the Development Services Center at (253) 864-4165. <u>Please note that incomplete application</u> <u>packets may cause a delay in the review of your application</u>.

### Nature of Request (please be specific)

#### The following items must be included in submittal of this application:

Completed application form, signed and dated.

A vicinity map no larger than 8 <sup>1</sup>/<sub>2</sub>" X 11", indicating all structures on the property and within 200 feet in each direction of the subject property and noting any properties containing known Character Structures or Historic Buildings (see page 4 DDG document).

8 1/2" X 11" site plan, dimensioned, drawn to scale and including the following items:

- The boundaries of the property
- Dimensions of property and square footage of property
- Location of existing and proposed structures indicating setback distances from property lines and square footage of each structure
- Parking area
- North Arrow

Elevation drawings detailing of design elements:

- Scaled drawing with a scale bar shown on each page
- The type of exterior materials and Color (where applicable)
- Exterior finishes for buildings and accessory structures
- Elevation detailing of entrances and windows
- Elevation details of exterior lighting also including the type, style and model of exterior lighting fixtures (where applicable)
- Detailing of roof design, to include information regarding pitch and length
- Other information as needed

A landscape plan, if applicable to the design guidelines review, detailing:

- Scaled drawing with a scale bar shown on each page
- The existing vegetation to be retained and/or proposed vegetation to be installed.

A written narrative from the project architect outlining in point-by-point detail compliance with all applicable design standards that apply to the project scope. See page 9 of the DDGs for general guidance on chapters required based on project type. Each chapter includes an applicability and minimum requirements section at the beginning of the chapter.
