Design Review Submittal Requirements

The following items must be included in submittal of this application.

Completed application form, signed and dated. Please print or type. Do not leave any questions unanswered, doing so will make your application incomplete.

- A vicinity map no larger than 8 ½" X 11", indicating all structures on the property and within 200 feet in each direction of the subject property. A copy of any Puyallup map clearly marking your property will be sufficient.
- 8 ½" X 11" site plan, dimensioned, drawn to scale and including the following items:
 - The boundaries of the property
 - Dimensions of property and square footage of property
 - Location of existing and proposed structures indicating setback distances from property lines and square footage of each structure
 - Parking area
 - North Arrow
- Elevation drawings detailing of design elements:
 - Dimensioning at 1/8 inches equals 1 foot or a comparable scale
 - The type of exterior materials and Color (where applicable)
 - Exterior finishes for buildings and accessory structures
 - Elevation detailing of entrances and windows
 - Elevation details of exterior lighting also including the type, style and model of exterior lighting fixtures (where applicable)
 - Detailing of roof design, to include information regarding pitch and length
 - Other information as needed
- A landscape plan detailing:
 - The existing vegetation to be retained and the proposed vegetation to be installed.
- A written narrative from the project architect outlining in point-by-point detail compliance with all applicable design standards that apply to the project scope (see supplemental forms).

Project Type & Zoning

Please select all the project types and zoning that applies.

- | | |
|--|---|
| <input type="checkbox"/> Duplex and triplex (PMC 20.26.100) | <input type="checkbox"/> RR-DRO (PMC 20.52.025) |
| <input type="checkbox"/> Multifamily (PMC 20.26.200) | Downtown Design**
(CBD/CBD-Core) |
| <input checked="" type="checkbox"/> Nonresidential (PMC 20.26.300) | <input type="checkbox"/> Small Project |
| <input type="checkbox"/> Industrial (PMC 20.26.400) | <input type="checkbox"/> Large Project |
| <input type="checkbox"/> Zone Transition (PMC 20.26.500) | <input type="checkbox"/> Historic Preservation |
| River Road Design** | <input type="checkbox"/> Transition |

All Buildings

***For all applications listed in PMC 20.26 there must be 3 copies of the corresponding application submitted.**

****For all PMC 20.52 or Downtown Design 8 copies of the corresponding application must be submitted.**

Certification

Contractor's affidavit: I hereby make application for a sign permit and certify that our business is registered as a contractor with the state of Washington and that all work shall be performed in accordance with all codes and ordinances of the city of Puyallup.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not.

By leaving the contractor information section blank, I hereby certify further that contractors (general or subcontractors) will not be hired to perform any work in association with this permit. I also certify that if I do choose to hire a contractor (general or subcontractor) I will only hire those contractors that are licensed by the state of Washington.
