**Subject:** RE: New Development ARCO - 1402 S Meridian Puyallup - Pierce Transit Bus Stop #1503 - (BCE#21730)

Hello,

Yes, I think a bench is sufficient. Our standard bench, which is the type currently at this bus stop, is 4ft long and 1ft wide. The bench will be surface-mounted and only needs 4in-thick concrete in order to mount it. Pierce Transit will be responsible for the closure or relocation of the bus stop and bench while the sidewalk is constructed, and will also be responsible for the installation of the bus stop and bench once the construction is complete and the concrete has cured.

Please give me at least 2 weeks' notice prior to construction to allow us to remove the bus stop sign and bench. Please notify me when the construction is complete, so I can make arrangement to have the bus stop reinstalled.

Thanks,

Tina

Hello Tina,

The new sidewalk will be 8-feet wide. Are you able to confirm that just a bench will be sufficient for the bus stop?

Additionally, please provide a detail on the requirements of the bench.

Thank you!

Good Morning Angelica,

I think if you just allow enough space for a bench on the new sidewalk, that should be fine? How wide will the new sidewalk be?

Kind Regards,

Tina

Hello Tina,

New information from the city has changed the improvements of the project. The city of Puyallup is now requiring sidewalk improvements along Meridian, so the bus stop adjacent to the site will be impacted.

Please provide all the bus stop requirements that will be needed for this project. And if there are any additional processes or coordination needed with Pierce Transit.

Thank you for your time.

Good Afternoon Angelica,

Sorry for the delayed response. Will your project be required to make any sidewalk improvements or repairs? If not, I would say that there is nothing you would need to do to improve our existing bus stop since it already has a bench.

Kind Regards,

Tina

Hello Tina,

Perfect. Nice to meet you, Tina.

While doing due diligence on our project I noticed along the property frontage there is a bus stop #1503 on S Meridian, Puyallup.

A new development project for an ARCO ampm Fueling Facility with a carwash is being proposed at 1402 S Meridian, Puyallup, WA.

I wanted to reach out to Pierce Transit to let you guys know about the proposed project, indicate that the project will not impact the bus stop, and confirm if there are any requirements from Pierce Transit that we should be aware of.

Thank you for your time.

Hello,

Can you please direct me to the appropriate contact for discussing new development at 1402 S Meridian Puyallup, WA that has a bus stop along the frontage of the property.

I just want to confirm with Pierce Transit on the development and if any requirements are needed.

Thank you for your time.
