Hello,

I have reached out before and will again, in response to the new proposal sign outside of Cascade Christian Schools. We have lived in this neighborhood for 16 years now. We love our neighborhood and our home. We are greatly negatively impacted by the traffic that Cascade brings. Cars are everywhere. It's hard to get in and out of my cul de sac. Our comings and goings have to be modified by the potential of having to wait to get in and out of my street. It is frustrating for me to wait in a long line of parent vehicles when i am just trying to go home. I would like to ask you to please consider these impacts on those of us who live in this neighborhood.

Thank you,

Sara Wolff
