Notice of Incomplete Application

RE: Application Number PLPRE20260016

Dear Decca Shantia Calloway,

A permit application has been received by this office on February 11, 2026. The following required items are outstanding:

APPLICATION FORM: To complete the pre-application submission, you are required to fill out an application form. You can find the [application here](#). The form will ask you whether you would like a notes-only pre-application meeting or a virtual meeting for the pre-application. **Please note** that you have already paid \$300.00 for a notes-only meeting. If you would prefer a virtual meeting, which costs \$500.00, you will need to pay the difference before I can schedule the meeting.

The above information must be received by our office to deem this application complete. If the required information is not received within 30 days, your application will be canceled.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
